

# OOSH (Out of School Hours)

Our Out of School Hours (OOSH) service extends a warm invitation to families who are seeking a safe, fun and interesting educational environment for their children.

OOSH provides two programs, After School Care and Vacation Care. After School Care operates from 3 pm to 6 pm daily during school terms, picking children up from the back of the Public School and accompanying the children to the Pool House (185 West Avenue, Glen Innes). Vacation Care is provided during school holidays from 8 am to 6 pm and on pupil free days when numbers are sufficient.

With a newly renovated facility and extended playground, children have the ability to make choices surrounding equipment and play spaces. Spontaneous and planned activities encompass positive interactions and foundations for life skills.

The local community and surrounding attractions provide for new explorations and expansion to learning with excursions and outings being a large focus during Vacation Care.

OOSH creates a family atmosphere where each child's individual needs are supported as they grow and build their own identity.
